## Capital at risk during market swings

Direct real estate investments can suffer significant losses during economic contractions and volatility.

## Unreliable cash flow and income

Both new and experienced investors struggle to maintain reliable income from direct real estate holdings.

## Stocks, mutual funds & ETFs are volatile

Volatile investment vehicles like stocks, Mutual Funds, and EFT's, can be unpredictable — even for experienced investors.

1

## Capital Preservation First

Benchmark prioritizes protecting investor capital through disciplined underwriting and collateralized investing.

2

## Collateralized Passive Real Estate Income

Earn 8-12% projected annualized returns\* through investments secured by residential real estate assets.

3

## Diversified Across Multiple Properties

Risk is distributed across multiple residential assets rather than concentrated in a single investment.

4

## Disciplined Investment Structure

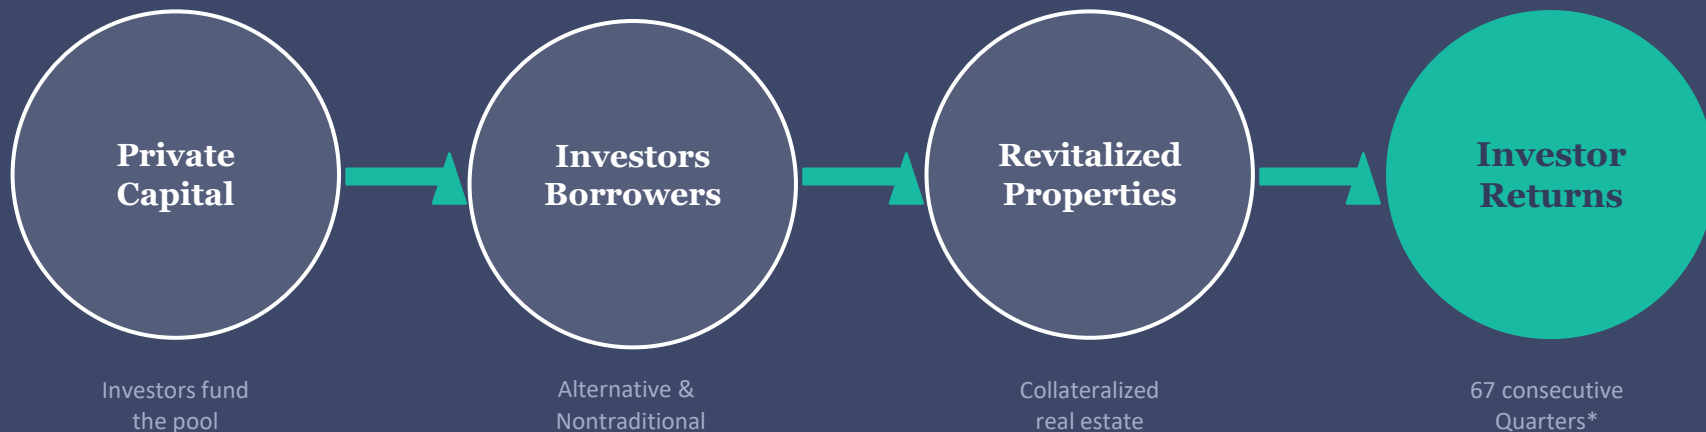

Private capital is deployed through carefully evaluated residential projects.

5

## Community Revitalization

Capital supports the redevelopment of underperforming residential properties.

## FORWARD-LOOKING STATEMENTS

All statements, other than statements of historical fact, contained on this website constitute “forward-looking statements” and are based on the reasonable expectations, estimates, and projections of the Benchmark Companies Partners and the company’s management as of the date of launching this website. The words “plans,” “expects,” or “does not expect,” “is expected,” “budget,” “anticipates,” “scheduled,” “estimates,” “forecasts,” “intends,” “anticipates,” or “does not anticipate,” or “believes,” or variations of such words and phrases or statements that certain actions, events or results “may,” “could,” “would,” “might,” “will” or “will be taken,” “occur” or “be achieved” and similar expressions identify forward-looking statements.

Forward-looking statements include, without limitation, statements regarding our projected number of sales, revenues, valuation, investment returns, expected customer demand, and the company’s business strategy.

Forward-looking statements are necessarily based upon a number of estimates and assumptions that, while considered reasonable by the company’s management as of the date of such statements, are inherently subject to significant business, economic and competitive uncertainties, and contingencies.

The estimates and assumptions contained on this website, which may prove to be incorrect, include, but are not limited to, the various assumptions of the company set forth herein. Known and unknown factors could cause the actual results to differ materially from those projected in the forward-looking statements. Such factors include, but are not limited to, our success in raising capital through our Regulation A+ offering, our projected time frames, changes in demand, industry competition, legislative, fiscal, and regulatory developments, economic and financial market conditions. More information on the factors, risks, and uncertainties that could cause or contribute to such differences is included in our filings with the securities and exchange commission, including in the “risk factors” sections of our offering statement on Form 1/A. Many of these uncertainties and contingencies can affect the company’s actual results and could cause actual results to differ materially from those expressed or implied in any forward-looking statements made by or on behalf of the company.

There can be no assurance that forward-looking statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements.

All of the forward-looking statements made on this website are qualified by these cautionary statements. These factors are not intended to represent a complete list of the factors that could affect the company. The company disclaims any intention or obligation to update or revise any forward-looking statements, except to the extent required by applicable law or regulation. The investors are cautioned not to place undue reliance on these forward-looking statements as they are meant for illustrative purposes and do not represent guarantees of future results, levels of activity, performance, or achievements.

The managers have developed a business plan to grow the company rapidly. However, we suggest investors carefully read our Offering Circular and Operating Agreement and understand the risks associated with investing in an early-stage company.

### DISCLAIMER

This website is operated by ICON Capital Group, LLC (“ICON”), a broker-dealer registered with the U.S. Securities and Exchange Commission (the “SEC”) and a member of the Financial Industry Regulatory Authority (“FINRA”) and the Securities Investors Protection Corporation (“SIPC”), which protects securities customers of its members in the amount of up to \$500,000 (including \$250,000 for claims for cash). An explanatory brochure can be found at [www.sipc.org](http://www.sipc.org). ICON is located at 5 Upper Newport Plaza Suite 200 Newport Beach, CA 92260. You may find the background of our broker-dealer and investment professionals on FINRA’s broker/check.

Investment opportunities accessible through this website include offerings made in reliance on the registration exemptions provided by Section 4(a)(2) of the Securities Act of 1933, as amended (the “Securities Act”), Rule 506 of Regulation D promulgated thereunder, Regulation A, or under Section 4(a)(6) of the Securities Act (“Regulation Crowdfunding”) Unless indicated otherwise with respect to a particular issuer, all securities-related activity is conducted by ICON.

Investment opportunities listed on this website are intended for investors who do not have a need for a liquid investment. Investments listed on this website are speculative in nature and involve a high degree of risk. Past performance is not indicative of future performance and the value of an investment may go down and result in partial or total loss of your investment. Investors who cannot afford to lose their entire investment should not invest. Neither the SEC nor any federal or state securities commission or regulatory authority has recommended or approved any investment or the accuracy or completeness of any of the information or materials provided by or through this website. All investors should read the Offering Circular and Operating Agreement provided in conjunction with this offering. Investment opportunities posted on this website are speculative, illiquid, and involve a high degree of risk, including the possible loss of your entire investment. Except as otherwise stated, all securities listed on this website are being offered by ICON on behalf of the applicable issuer of such securities. Although ICON does provide due diligence required by applicable laws and regulations, ICON is not responsible to and does not verify the adequacy, accuracy or completeness of any information, representation or warranty, and no communication, through this website or in any other medium, should be construed as a recommendation for any security offering listed therein. In making an investment decision, prospective investors must rely on their own examination of the issuer and the terms of the offering, including the merits and risks involved, and are strongly encouraged to consult with their tax, legal and financial advisors.

All investors using the website must acknowledge the speculative nature of these investments and accept the high risks associated with investing in illiquid debt securities. These risks include holding your investment for five (5) years from purchase, and even after this time, there may be no resale market available. And the ability to bear the total loss of your investment without a change in your lifestyle. All securities offered by companies on this Site involve high levels of risk. Only invest an amount that you can afford to lose and will not impact your lifestyle.
